The Remuneration Report can be found in the Company's 2018 Annual Report.

Following consideration of the Remuneration Report, the Chairman will give shareholders a reasonable opportunity to ask questions about or make comments upon, the Remuneration Report.

The Board unanimously recommends that Shareholders vote in favour of the Resolution for Item 2.

ITEM 3 – ELECTION OF MURRAY BOYTE AS A DIRECTOR

The ASX Listing Rules and the Company's Constitution prescribe a process by which Directors regularly retire from office. Retiring Directors may offer themselves for election or re-election.

Pursuant to Listing Rule 14.4 and Clause 8.1(e) of the constitution of the Company, Mr Murray Boyte, having been appointed by the Directors as an addition to the existing directors, retires at the conclusion of the Meeting, and being eligible, offers himself for election as a Director of the Company.

The Board (other than Mr Boyte in relation to his own election) unanimously recommends that the Shareholders vote in favour of the Resolution for Item 3.

Explanatory Memorandum

ITEM 4 – RATIFICATION OF ISSUE OF SHARES

The purpose of the Resolution in Item 4 is for Shareholders to approve, pursuant to Listing Rule 7.4 and for all other purposes, the issue of certain Shares by the Company (**Issue**). Details of the Issue are set out later in this Item.

Listing Rule 7.1 provides that, subject to certain exceptions, prior approval of shareholders is required for an issue of securities, if the securities will, when aggregated with the securities issued by a company during the last 12 months, exceed 15% of the number of shares on issue at the commencement of that 12-month period.

One exception is where the issue of the securities was made with the approval of the holders of ordinary securities under Listing Rule 7.1 or 7.4.

Listing Rule 7.4 provides that an issue of shares made without approval under Listing Rule 7.1 is treated as having been made with approval for the purpose of Listing Rule 7.1 where:

- (a) the issue did not breach Listing Rule 7.1; and
- (b) the members subsequently approve it.

The Issue has already taken place, within the 15% limit prescribed by Listing Rule 7.1.

The approval sought for the Resolution in Item 4, under Listing Rule 7.4, is effectively a retrospective approval or 'ratification' to refresh the Company's capacity to issue further Shares pursuant to Listing Rule 7.1, should there be a requirement to do so.

If Shareholders approve the Resolution in Item 4, the Company will have the flexibility to issue more Shares in the next 12 months without a requirement for Shareholder approval, if an opportunity arises which the Directors believe is in the best interests of the Company, and which they expect will create shareholder value.

If Shareholders approve the Resolution in Item 4, the Issue will cease to use up part of the Company's 15% limit and would enable that proportion of the 15% limit to be used for a future issue of Shares, without a requirement for Shareholder approval.

If Shareholders do not approve the Resolution in Item 4, it will not invalidate the Issue as listed below.

The information required to be provided to Shareholders to satisfy Listing Rule 7.4 is specified in Listing Rule 7.5.

Explanatory Memorandum

In compliance with the information requirements of Listing Rule 7.5, Shareholders are advised of the following particulars in relation to the Issue:

Particular	Details
Number of securities	655,737 ordinary shares issued on 31 May 2018 and 553,279 ordinary shares issued on 18 June 2018.

¹ Shares were issued at a volume weighted average price of NTAW shares traded on the ASX over the period of 90 days prior to completion of the acquisition.

The Board unanimously recommends that Shareholders vote in favour of the Resolution in Item 4.

ITEM 5 – ADDITIONAL CAPACITY TO ISSUE EQUITY SECURITIES

ASX Listing Rule 7.1A enables small to mid-cap listed companies to seek Shareholder approval by special resolution to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue by way of placement over a 12 month period (**10% Placement Facility**), without a need for further Shareholder approval. This is in addition to the existing 15% placement capacity permitted by ASX Listing Rule 7.1.

A company is eligible to seek Shareholder approval for this additional placement capacity if it satisfies both of the following criteria at the date of the AGM:

- (a) it has a market capitalisation of \$300 million or less; and
- (b) it is not included in the S&P/ASX 300 Index.

The Company currently satisfies both the above criteria, and it is anticipated that it will satisfy both these criteria at the date of the AGM.

Explanatory Memorandum

Accordingly, Item 5 is seeking Shareholder approval by special resolution for the issue of such number of equity securities as calculated under the formula in ASX Listing Rule 7.1A.2, at an issue price as permitted by ASX Listing Rule 7.1A.3 to such persons as the Board may determine, on the terms as described in this Explanatory Memorandum.

At the date of the Meeting, it is anticipated that the Company will have on issue 102,653,952 Shares and, subject to approval of the Resolution in Item 4, a capacity to issue 15,398,092 Shares under ASX Listing Rule 7.1 and, if the Resolution in Item 5 is approved, a capacity to issue an additional 10,265,395 Shares under ASX Listing Rule 7.1A.

The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

The effect of Item 5 will be to allow the Directors to issue equity securities under ASX Listing Rule 7.1A, in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1, from the date of the AGM at which approval of the 10% Placement Facility under ASX Listing Rule 7.1A is obtained until the earlier to occur of:

- (a) the date that is 12 months after the date of the AGM i.e. 15 November 2019; or
- (b) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

Information required by ASX Listing Rule 7.3A

For the purposes of ASX Listing Rule 7.3A, the following information is provided:

- The minimum price at which the equity securities will be issued will be no less than 75% of the volume weighted average market price for ordinary shares calculated over the 15 trading days on which trades are recorded immediately before:
 - (a) the date on which the price at which the shares are to be issued is agreed; or
 - (b) if the shares are not issued within 5 trading days of the date in paragraph (a), the date on which the shares are issued.
- If the Resolution in Item 5 is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing ordinary Shareholders face the risk of economic and voting dilution as a result of the issue of equity securities which are the subject of this Resolution, to the extent that such equity securities are issued, including:
 - (a) the market price of equity securities may be significantly lower on the issue date than on the date on which this approval is being sought; and
 - (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date,

which may also have an effect on the amount of funds raised by the issue of the equity securities.

- The following table gives examples of the potential dilution of existing ordinary Shareholders on the basis of the market price of Shares at 28 September 2018 and the number of ordinary securities for variable "A", calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of this Notice (and on the assumption that the Resolutions being considered at the Meeting are approved).

Explanatory Memorandum

The table also shows:

- (a) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

	Dilution				
	Additional shares issued	Voting Dilution	Funds raised		
Variable "A" in Listing Rule 7.1A.2			\$0.59 50% decrease in Issue Price	\$1.17 ¹ Issue Price	\$2.34 100% increase in Issue Price
102,653,952 (current)	10,265,395	10%	\$6,056,583	\$12,010,512	\$24,021,024
153,980,928 (50% increase)	15,398,092	10%	\$9,084,874	\$18,015,768	\$36,031,535
205,307,904 (100% increase)	20,530,790	10%	\$12,113,166	\$24,021,024	\$48,042,049

¹ Closing price on 28 September 2018 was \$1.17 per Share

- The table has been prepared on the following assumptions:
 - (a) the Resolution in Item 4 is approved;
 - (b) the Resolution in Item 5 is approved;
 - (c) the Company issues the maximum number of equity securities available under the 10% Placement Facility in ASX Listing Rule 7.1A;
 - (d) no options are exercised before the date of issue of Shares under ASX Listing Rule 7.1A;
 - (e) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
 - (f) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the AGM;
 - (g) the table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;
 - (h) the issue of equity securities under the 10% Placement Facility consists only of Shares; and
 - (i) the current Share price is \$1.17 per Share, being the closing price of the Shares on ASX on 28 September 2018.
- If any of the Shares being approved by this Resolution are issued, they will be issued during the 10% Placement Period. The approval being sought under Item 5 will also cease to be valid if ordinary Shareholders approve a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) prior to 15 November 2019.
- The Company may seek to issue the equity securities for the following purposes:
 - (a) cash issue price. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expenses associated with such acquisition), continued development of, or investment in, the Company's current assets, general working capital and/or other capital management purposes; or

Explanatory Memorandum

- (b) non-cash consideration such as for the acquisition of new assets and investments. In such circumstances, the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3.
- The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon issue of any equity securities.
 - The Company's allocation policy for issues under the 10% Placement Facility will be dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of allottees of any equity securities that may be issued (subject to Shareholder approval of the Resolution in Item 5) have not been determined as at the date of this Notice, but may include existing Shareholders and/ or parties who are not currently Shareholders and are not related parties or associates of the related parties of the Company. Any potential allottees will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:
 - (a) the methods of raising funds available to the Company (including but not limited to, rights issue or other issues in which existing security holders can participate), while balancing interest from potential allottees with the interests of existing Shareholders;
 - (b) the effect of the issue of equity securities on the control of the Company. Allocation will be subject to takeover thresholds;
 - (c) the financial situation and solvency of the Company and its need for capital at any given time; and
 - (d) advice from corporate, financial and broking advisors (if applicable).
 - A Voting Exclusion Statement in relation to the Resolution for Item 5 is set out under Note 4 in the Notice of Meeting. Potential allottees under the 10% Placement Facility (should it be approved) have not been identified as at the date of this Notice.
 - The Company has not previously obtained Shareholder approval under Listing Rule 7.1A.

The Resolution for Item 5 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by Shareholders present and entitled to vote on the Resolution must be in favour of the Resolution.

The Directors unanimously recommend Shareholders vote in favour of the Resolution for Item 5 as it will provide additional flexibility for the Company to secure additional capital quickly if Directors decide that it is in the best interests of the Company.

Explanatory Memorandum

ITEM 6 – GRANT OF OPTIONS TO PETER LUDEMANN UNDER THE EMPLOYEE SHARE OPTION PLAN

The Resolution in Item 6 seeks Shareholder approval for the grant of 180,000 Options to the CEO and Managing Director, Peter Ludemann, under the Company's Employee Share Option Plan (**Plan**), subject to the terms and conditions of his 2019 LTI Award (**the Options**).

Background to CEO Remuneration

Peter Ludemann is the CEO and Managing Director of the Company.

As disclosed in the Company's 2018 Annual Report, the Company engaged Egan and Associates (remuneration consultants) to review its existing STI and LTI programs and provide recommendations on how to improve these as part of a new executive remuneration framework, commencing from the 2019 financial year.

The Board has adopted a new executive remuneration framework, which for Mr Ludemann now comprises:

- Total Fixed Remuneration (**TFR**) consisting of base salary, superannuation and other benefits;
- A short term incentive (**STI**) with a maximum opportunity of 50% of TFR (at maximum performance levels); and
- A long term incentive (**LTI**) in the form of options which will be issued under the Plan and will be subject to performance conditions as determined by the Board to support the long-term growth of the Company. The number of options to be awarded will be determined by the Board having regard to the overall amount of executive remuneration and the annual profit impact of the options awarded.

The Plan was adopted by the Company on 6 November 2017 and a summary of its terms were set out in the Company's prospectus dated 24 November 2017.

Prior to the Company's listing on the ASX, the Company had a Senior Executive Option Plan (**SEOP**) pursuant to which Mr Ludemann was awarded options which vested and were exercised. This SEOP has been discontinued following the Company's listing.

The Board has determined that, for the year ending 30 June 2019, up to 2,000,000 Options (in total) will be issued to senior executives, including the 180,000 Options to be issued to Mr Ludemann. The remaining Options will be allocated to other senior executives based on their roles and responsibilities.

Conditions and Important Dates for the Options

The Vesting Date of the Options will be 30 September 2021, or three years from the Grant Date, whichever is earlier, subject to meeting the Performance Conditions. The Performance Period for the Performance Conditions is the period from the Grant Date until the Vesting Date (inclusive of each of those dates).

The Options will expire on 30 September 2023, being the date which is two years after the Vesting Date, if not lapsed earlier.

Explanatory Memorandum

Performance Conditions

Vesting of the Options is dependent on, and subject to, satisfaction of the following Performance Conditions:

- i. Earnings per share condition – the Company's earnings per share (**EPS**) for the year ended 30 June 2019 is at least 10% higher than its EPS for the year ended 30 June 2018.

Calculation of the EPS growth rate will be based upon the EPS results reported in NTAW's audited financial statements for the above years.

However, the Board has determined that the Basic EPS of 5.25 cents recorded in the Company's 2018 audited financial statements is not an appropriate base to be used to calculate the EPS growth because it does not include full year trading results for subsidiaries that were acquired during the year and includes abnormally high transaction costs associated with the Company's first year since listing (including initial public offering costs and a share based payments expense).

The Board considers that NTAW's pro forma results for the year ended 30 June 2018, as reported in the 2018 Annual Report, and which have been adjusted for the above items, is a more appropriate base for determining the EPS growth for the purposes of the Options.

Accordingly, the Board has determined that the base EPS for the Options will be 11.5 cents per share. This is based upon the Company's 2018 pro forma NPATA attributable to NTAW shareholders of \$10.740 million, adjusted for the pro forma impact of the acquisition of Statewide Tyre Distribution Pty Ltd.

The EPS results to be used for the 2019 year will be the Basic EPS recorded in the Company's audited financial statements for that year. However, the Basic EPS may be adjusted for items which the Board, in its discretion, considers should be included in, or excluded from, this result.

- ii. Service condition – continuous employment of Mr Ludemann with the Company or one of its subsidiaries from the Grant Date until the Vesting Date.

If the Performance Conditions are not met before the end of the Performance Period, the Options will lapse. There will be no re-testing.

Lapsing and early vesting of the Options

Change of Control Event: On a takeover or change in control of the Company any unvested Options will immediately vest and cease to be subject to any Performance Condition.

Termination of employment: If Mr Ludemann ceases employment before the Performance Conditions are satisfied the Options will automatically lapse 30 days after that employment ceases, unless the Board determines otherwise in accordance with the Plan. If Mr Ludemann ceases to be employed by the Company by reason of his death, disability, bona fide redundancy or other reason with the approval of the Board, the Board has a discretion to determine that some or all of the Options do not lapse but are deemed to have vested.

If Mr Ludemann's employment is terminated on the basis that Mr Ludemann has acted fraudulently, dishonestly, in breach of his obligations or otherwise for cause, all of the Options (including those which have not yet vested and those which have vested but are unexercised) will immediately lapse.

Explanatory Memorandum

Valuation

The estimated value of the Options based on the following inputs is as follows:

Valuation Date	28 September 2018
Share Price (Valuation Date)	\$1.17
Exercise Price	\$1.1724
Risk free rate (%)	2.00%
Standard Deviation (%)	26%
Expected Life (days)	1,826
Dividend Rate	2.3%
Estimated Value per Option	\$0.2391
Estimated Total Gross Value*	\$43,038

*Before adjustment to the fair value to allow for performance probabilities

Importantly, no value will be received by Mr Ludemann if the Options lapse prior to the vesting date, or if the market value of the Company's shares fails to exceed the Exercise Price.

The 'fair value' for accounting purposes will be determined at the grant date and the value will be expensed over the relevant service period after taking account of any market and non-market vesting conditions, in accordance with AASB 2 *Share Based Payments*.

Other Information

- The Company will not apply to the ASX for official quotation of the Options granted under the Plan.
- Shares issued pursuant to the exercise of the Options will rank equally with Shares then on issue.
- There is no loan scheme in relation to the Options or the Plan.
- Any dealing in Shares is subject to the constraints of Australian insider trading laws and the Company's Share Trading Policy.
- Details of the Options granted to Mr Ludemann will be provided in the Remuneration Report for the years ended 30 June 2019, 2020, 2021 and 2022.

Why Shareholder approval is being sought

Shareholder approval of the Resolution in Item 6 is being sought for the following purposes:

ASX Listing Rule 10.14

ASX Listing Rule 10.14 states that a listed company must not permit a Director to acquire securities under an employee incentive scheme without Shareholder approval given by ordinary resolution. The purpose of the Resolution in Item 6 is to obtain Shareholder approval for the grant of 180,000 Options to Mr Ludemann, pursuant to the Plan and the terms and conditions of Mr Ludemann's 2019 LTI Award.

For the purposes of ASX Listing Rule 10.15, the following information is provided:

- The maximum number of Options that may be granted to Mr Ludemann is 180,000.

Explanatory Memorandum

- The Options will be granted at no cost to Mr Ludemann. Once the Performance Conditions as set out above are met (or waived), the Options will be exercisable at the applicable Exercise Price. The Exercise Price for the Options is \$1.1724 calculated as the volume weighted average sale price of the Company's shares sold on ASX during the 5 trading days up to and including 20 September 2018, being after the release of the Company's 2018 financial statements and the Record Date for the 2018 final dividend.
- No persons referred to in ASX Listing Rule 10.14 have received Options under the Plan since the last approval.
- Under the Plan rules, Options may be granted to various employees, contractors and non-executive directors. However, the Board's current intention is that only senior executives and the Managing Director will be eligible to participate. Accordingly, currently Mr Ludemann is the only person referred to in ASX Listing Rule 10.14 entitled to participate in the Plan.
- A voting exclusion statement in relation to the Resolution for Item 6 is set out under Note 4 in the Notice of Meeting.
- No loan will be provided by the Company to Mr Ludemann in relation to the grant or exercise of the Options.
- The Options are expected to be granted to Mr Ludemann shortly after the AGM and in any event within 12 months after the AGM.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to grant the Options to Mr Ludemann as approval is being obtained under ASX Listing Rule 10.14. Accordingly, the grant of the Options to Mr Ludemann will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

Part 2D.2 of the Corporations Act: Termination Benefits

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate if it is approved by shareholders or an exemption applies. Further, under section 200C of the Corporations Act, a company may only give a person a benefit in connection with the transfer of the whole or any part of the undertaking or property of the company if it is approved by shareholders.

The term "benefit" in Part 2D.2 has wide operation and would include the accelerated vesting of Options.

Accordingly, Shareholder approval is sought under section 200E of the Corporations Act for the:

- giving of termination benefits to Mr Ludemann in accordance with the Plan or his employment contract if Mr Ludemann ceases to be employed by the Company and, as a result of the Board exercising its discretion, some or all of Mr Ludemann's Options vest; and
- giving of benefits to Mr Ludemann if Mr Ludemann's Options automatically vest as a result of a Change in Control Event being triggered due to the transfer of an undertaking or property of the Company.

As at the date of this Notice the estimated value of the Options to be issued to Mr Ludemann is \$43,038. However, the value of the benefits at the time they may be given cannot presently be ascertained. The matters, events and circumstances that will, or are likely to, affect the calculation of that value include:

- the number of Options held by Mr Ludemann prior to cessation of employment or at the time of the Change of Control Event; and
- the market price of Shares at that time.

Explanatory Memorandum

If Shareholder approval is obtained and the Options automatically vest as a result of a Change in Control Event or the Board exercises its discretion to vest some or all of Mr Ludemann's unvested Options, the value of the benefit will be disregarded when calculating his termination benefit 'cap' as permitted by the Corporations Act.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's shareholders in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

One of the exceptions where shareholder approval is not needed is where the financial benefit is (relevantly) remuneration to a related party as an officer or employee of the public company or an entity that the public company controls and to give the benefit would be reasonable given the circumstances of the public company or entity giving the remuneration and the related party's circumstances (including the responsibilities involved in the office of employment). This "reasonable remuneration" exception is contained in section 211 of the Corporations Act.

The grant of the Options to Mr Ludemann will constitute the giving of a financial benefit and Mr Ludemann is a related party of the Company by virtue of being a Director of the Company.

The Directors (other than Mr Ludemann who abstained from considering this matter due to his material personal interest in the matter) consider that the proposed grant of the Options to Mr Ludemann is reasonable remuneration which falls within the exception in section 211 of the Corporations Act and accordingly Shareholders' approval pursuant to Chapter 2E of the Corporations Act is not required.

ASX Listing Rules 10.18 and 10.19

If shareholder approval is obtained under the Resolution in Item 6, the Company will still be required to comply with Listing Rules 10.18 and 10.19, which place restrictions on the circumstances in which certain termination benefits can be paid and a cap on the value of termination benefits that can be paid to officers of the Company.

Directors' recommendation

The Board, other than Mr Ludemann, consider the grant of the Options to Mr Ludemann to be appropriate in all circumstances and unanimously recommends that Shareholders vote in favour of the Resolution in Item 6 for the grant of the Options to Mr Ludemann.

Explanatory Memorandum

ITEM 7 – PROVISION OF FINANCIAL ASSISTANCE

Introduction

This section of the Explanatory Memorandum has been prepared in connection with a Resolution proposed to be passed as a special resolution of the Company pursuant to section 260B of the Corporations Act to approve the giving by Statewide Tyre Distribution Pty Ltd ACN 008 181 904 (**Statewide**), a subsidiary of the Company, of financial assistance within the meaning of section 260A of the Corporations Act (**Financial Assistance Resolution**).

Financial assistance under the Corporations Act

Restrictions on financial assistance

Section 260A(1) of the Corporations Act provides that a company may financially assist a person to acquire shares (or units of shares) in the company or a holding company only if:

- (a) giving the financial assistance does not materially prejudice:
 - (i) the interests of the company or its shareholders; or
 - (ii) the company's ability to pay its creditors; or
- (b) the assistance is approved by shareholders under section 260B; or
- (c) the assistance is exempted under section 260C.

In order for a company to be providing "financial assistance", the person alleged to have been assisted must have received "assistance" and the assistance must be of a "financial" nature. Assistance refers to the furnishing of something needed in order that a transaction can be carried out. Assistance of a financial nature does not necessarily involve a disposition of money or property. Examples of financial assistance include making a loan, issuing a debenture, giving security over the company's assets and giving a guarantee or indemnity in respect of another person's liability.

Under section 260A(2) of the Corporations Act, the financial assistance may be given before or after the acquisition of shares.

Shareholder approval

For a company to financially assist a person to acquire shares (or units of shares) in itself or a company of which it is a subsidiary, section 260B(1) of the Corporations Act states that the financial assistance must be approved by its shareholders by:

- (a) a special resolution passed at a general meeting of the company, with no votes being cast in favour of the resolution by the person acquiring the shares (or units of shares) or by their associates; or
- (b) a resolution agreed to, at a general meeting, by all ordinary shareholders.

If the company will be a subsidiary of a listed domestic corporation (**Listed Australian Holding Company**) immediately after the acquisition, then section 260B(2) requires that the financial assistance must also be approved by a special resolution passed at a general meeting of that Listed Australian Holding Company.

The acquisition of Statewide

The acquisition

On 31 May 2018, the Company completed the acquisition all of the issued capital of Statewide from Trevor John Wren and John William Weeks for \$8.875 million (subject to adjustment for working capital) (**Acquisition**). Completion of the Acquisition was announced to Shareholders by announcement to the ASX on 1 June 2018.

It is proposed that Statewide will give financial assistance to the Company in connection with the Acquisition, details of which are outlined in this Explanatory Memorandum.

Explanatory Memorandum

Resolutions required in connection with the financial assistance

On 24 September 2018, the Company, as Statewide's sole shareholder, resolved to approve the giving of the financial assistance outlined in this Explanatory Memorandum in accordance with section 260B(1)(b) of the Corporations Act.

As, following the Acquisition, Statewide became a wholly owned subsidiary of the Company, which is a Listed Australian Holding Company, the financial assistance outlined in this Explanatory Memorandum must also be approved by a special resolution at a general meeting of the Company in accordance with section 260B(2) of the Corporations Act.

The purpose of this section of the Explanatory Memorandum is to explain in further detail the proposed Financial Assistance Resolution set out Item 7.

Details of the proposed financial assistance

NTAW facility

As part of the arrangements to acquire the shares in Statewide, the Company accepted a letter of offer from Commonwealth Bank of Australia (**CBA**) dated 28 May 2018 (**Facility**) pursuant to which its existing market rate loan limit was increased from \$6,880,000 to \$14,380,000. The Company utilised part of the additional funding provided under the Facility to fund the cash component of the consideration payable for the Acquisition and related costs.

Finance documents

It was a condition of the Facility that the Company must by the date being no later than 30 days after the Company's next AGM (**Sunset Date**) have taken all action required by Part 2J.3 of the Corporations Act to cause Statewide, among others, to provide:

- (a) an unlimited guarantee to CBA in respect of amounts owing by the Company, including under the Facility (**Guarantee**); and
- (b) a supporting first ranking general security interest to CBA over all present and after acquired property (**General Security Interest**),

(together, the **Finance Documents**).

Under the Facility, the Company must ensure that all necessary approvals and lodgements are obtained and made pursuant to section 260B of the Corporations Act on or before the Sunset Date.

Guarantee

Under the Guarantee, Statewide (among other things):

- (a) guarantees that the Company will pay CBA all amounts owing by the Company to CBA;
- (b) indemnifies CBA against any loss CBA suffers because the Company does not pay CBA in accordance with agreements, including the Facility; and
- (c) must not transfer, discount or otherwise dispose or give security over the whole or any part of its business which could have a material adverse effect, except in the ordinary course of its business.

Explanatory Memorandum

General security interest

Under the General Security Interest, Statewide grants a charge over all of Statewide's present and after acquired property to CBA as security for payment of all money that Statewide owes CBA now or in the future, including under the Guarantee. The General Security Interest includes comprehensive declarations, obligations, restrictions, events of default and waivers on behalf of Statewide customary for security documents of this nature.

Financial assistance resolutions

Financial assistance approvals

The Directors are of the view that entry into the Finance Documents by Statewide will constitute the provision by Statewide of financial assistance to the Company in connection with the Acquisition within the meaning of section 260A of the Corporations Act.

Pursuant to section 260B of the Corporations Act it is proposed that the giving of financial assistance by Statewide be approved by the Resolutions described above, including the Financial Assistance Resolution.

Reasons for the financial assistance

The reason for the giving of the financial assistance described above is to enable the Company to comply with its obligations under the Facility and to ensure that the Facility remains available to the Company and its subsidiaries, including Statewide (**Group**) and to ensure no event of default under the Facility occurs.

If such obligations are not complied with an event of default under the Facility could occur which may result in an insufficiency of the funding needs of the Group to develop the growth opportunities available to the Group.

Effect of the financial assistance

As the Company and its other subsidiaries are already liable for the amounts payable under the Facility, the giving of the financial assistance by Statewide is unlikely to have any adverse effect on the Company and its other subsidiaries.

The substantial effect of the financial assistance on Statewide is that it will have guaranteed all amounts payable under the Facility and have granted security for such obligations. The operations of Statewide will also be restricted by the customary obligations, restrictions and undertakings given by it under the Finance Documents.

The Directors do not currently believe that either the Company or Statewide (or any other subsidiary of the Company) is likely to default in their obligations under the Finance Documents or in respect of the Facility. Projected financial information of the Group prepared on the basis of what the directors believe to be reasonable assumptions show that the assets, profit and cash flows of the Group will be adequate to enable the Company to continue to meet its obligations under the Facility and pay its other creditors.

The Directors are committed to ensuring the success of the Group and believe that the Acquisition will be a profitable investment which will benefit the Company and Statewide.

Explanatory Memorandum

Advantages to the Company of the proposed resolution

The advantages to the Company of the proposed Resolution is that Statewide will be able to provide the guarantee, representations and warranties set out in the Finance Documents and give security which is a condition to the continuance of the Facilities and ensuring that the Company will not be in default of the Facility.

Advantages to Statewide of the proposed resolution

The advantages to Statewide of the proposed Resolution include:

- (a) the Facility will continue to be available which will be to the advantage of Statewide because:
 - (i) Statewide will have greater access to funding in the bank and capital markets as a result of integration with the Group; and
 - (ii) Statewide will benefit from the synergies, cost savings and greater growth potential through its integration with the Group; and
- (b) the Company will have access to additional capital from the Company, including under the Facility.

The Directors believe that the transactions contemplated by this Explanatory Memorandum are in the interests of the Company.

Disadvantages to the Company of the proposed resolution

As the Company is already liable under the Facility and has already given security to CBA, the Directors do not believe that there are any disadvantages to the Company of the proposed Resolution, except that the operations of Statewide (its subsidiary), will be restricted by the customary obligations, restrictions and undertakings given by Statewide under the Finance Documents.

Disadvantages to Statewide of the proposed resolution

The disadvantages to Statewide of the proposed Resolution include:

- (a) it will become liable for the amounts due under the Facility and Finance Documents;
- (b) existence of the Finance Documents, which will rank in priority to any other securities granted by Statewide, may affect its ability to borrow money in the future as a lender may be deterred by the existence of the Finance Documents from lending money to it;
- (c) its assets will be subject to security and its operations will be restricted by the customary obligations, restrictions and undertakings given by it under the Finance Documents;
- (d) the Company or Statewide may default under the Finance Documents or the Facility;
- (e) CBA may make a demand under the guarantee provided by it requiring immediate repayment of the amounts due under the Finance documents and the Facility; and
- (f) CBA may enforce the guarantee and/or security provided under the Finance documents to recover the amounts due.

A demand made under the Facility or the Finance Documents may result in the winding up of any of the Company (and/or its other subsidiaries) or Statewide and a sale of any such assets of the Group by CBA upon an enforcement of the security or execution of a judgment for moneys owing under the guarantee. This may result in a return to the Company (and ultimately its shareholders) significantly lower than could have been achieved had those assets been sold in the ordinary course of business or had the Group continued trading.

Passing the Financial Assistance Resolution

The Financial Assistance Resolution under consideration is set out in Item 7 in the Notice that accompanies this Explanatory Memorandum.

The Financial Assistance Resolution of the Company will be passed if it is passed as a special resolution.

Shareholders may vote either for or against the Financial Assistance Resolution.

Explanatory Memorandum

Directors' recommendation

The Directors recommend that Shareholders vote in favour of the Financial Assistance Resolution to approve the giving of financial assistance by Statewide to the Company.

Lodgement of documents with ASIC

As required by section 260B(5) of the Corporations Act, copies of the Notice and this Explanatory Memorandum as sent to Shareholders were lodged with the Australian Securities & Investments Commission before they were sent to Shareholders.

Disclosure of all relevant information

The Directors consider that this Explanatory Memorandum contains all information known to the Company that would be material to Shareholders in deciding how to vote on the proposed Resolution other than information which it would be unreasonable to require the Company to include because it has previously been disclosed to Shareholders.
